

We are excited to announce the Confronting Climate Change online workshops for the rest of 2020! Please follow the link to indicate your interest in specific workshops. Workshop form link: https://forms.gle/AEBTCyvdaCv6fs838

The Light Carbon Footprint workshops will remain free for the rest of the year. Our other workshops do however carry a cost.

Please refer to the table below for more detail.

	Time	Торіс	Intended audience	Cost	
Date				License holders	Non-license holders
30 June 2020	9:00-10:00	Carbon emissions reduction plan	Anyone interested in reducing their farm/packhouse/cold store/winery emissions.	Free	R345 (incl VAT). If you purchase a license within 1 month of the workshop the cost will be subtracted from your license fee.
7 July 2020	9:00-11:00	Light carbon footprint	New users of the CCC tool or anyone in need of a refresher.	Free	Free
21 July 2020	9:00-10:00	Carbon emissions reduction plan	Anyone interested in reducing their farm/packhouse/cold store/winery emissions.	Free	R345 (incl VAT). If you purchase a license within 1 month of the workshop the cost will be subtracted from your license fee.
28 July 2020	9:00-11:00	Full carbon footprint	A more advanced workshop that includes a carbon footprint assignment. A certificate is issued on the successful completion of the assignment. Attendance of the light carbon footprint workshop is a pre- requisite for this workshop.	R575 (incl. VAT)	R2300 (incl. VAT)
